

# Respiratory Protection Regulations

DPR's Worker Health and Safety Branch will provide a training/refresher course about respiratory protection regulations. Training sessions will take place at 7 locations statewide from 9 am to 12 noon. CAC staff must register at least 2 weeks before the training date(s). Send the training nominations, with preferred location(s) and staff names to Monica DeAnda at, [mdeanda@cdpr.ca.gov](mailto:mdeanda@cdpr.ca.gov). We will respond within one week of receipt of your request.

## Topics Covered:
