**BASIC level** training is intended for:

- 1) CAC staff working in Pesticide Regulation or Investigation & Environmental Monitoring who have never attended a DPR/SPCB sponsored structural regulatory training course, or
- 2) CAC staff with limited experience in structural pesticide use monitoring (DPR-ENF-107/108) or business HQs inspections (DPR-ENF-110)

**Recommended:** CAC staff conduct at least 3 Pesticide Use Monitoring Inspections (DPR-ENF-104) prior to attending the training
