

# What are the registrants required to do?

Amna Hawatky  
Environmental Scientist  
DPR Phase 2 Training, Sept-Nov 2012

# Answer:

Registrants must provide information for...

1) First Responders

2) Communities

**No CAC enforcement  
mandate**

# 1. Information for First Responders

Provide information on how to...

⚠️ Recognize incidents related to exposure

⚠️ Recognize early signs of exposure

⚠️ Treat exposure

## 2. Information for Communities in states with high soil fumigant use

- Soil fumigants and buffer zones:  
what they are, and how they work
- signs for buffer zones:  
contents, and what they mean
- Symptoms of exposure
- Steps to mitigate exposure
- What to do in case of emergency
