

NOTICE OF SOLICITATION OF NOMINATIONS TO THE STRUCTURAL PEST CONTROL BOARD

May 12, 2011

To Interested Parties:

The Department of Pesticide Regulation (DPR) is soliciting nominations for appointments to the Structural Pest Control Board. There are four openings that will be filled with members appointed by the Governor after this solicitation process. Two members will be appointed from industry and two from the public. The industry members shall have been, for not less than five years before the date of their appointment, operators licensed under the Structural Pest Control Act actively engaged in the business of pest control. The public members cannot be licensees of the board. All members must be California residents.

Nominations will be accepted until the positions are filled. Should you wish to be considered for appointment or wish to nominate a person for appointment, please submit the nomination in writing and include:

- The name and address of the nominee
- If an operator, his or her license number
- The name, address, and affiliation, if any, of the nominator

Please mail nominations to Chris Reardon, Chief Deputy Director, Department of Pesticide Regulation, 1001 I Street, PO Box 4015, Sacramento, California 95812.

Parties interested in appointment should also follow the procedures established for gubernatorial appointments at http://www.gov.ca.gov/m_appointments.php. Or go to <http://www.gov.ca.gov/> and click on "Appointments."
