

Department of Pesticide Regulation
Pest Management Advisory Committee Meeting
February 10, 2011

Water Quality Initiatives and Priorities

Surface Water Regulations

- History
 - 2003 – Central Valley Water Board initiated Irrigated Lands Program
 - 2003 – DPR placed diazinon into reevaluation
 - 2004 – DPR placed chlorpyrifos into reevaluation
 - 2006 – DPR placed pyrethroids into reevaluation
 - 2009 – Initial draft of Regulations
 - 2009 – Met with County Agricultural Commissioners, Water Boards, Registrants, Agricultural Industry, Forestry, Golf Courses, Pest Control Operators of California, etc.
 - 2010 – Public Workshops

- Current Activities
 - Revise Draft Regulations
 - Stakeholder Meetings

- Regulations will:
 - Implement USEPA label requirements for pyrethroid products
 - Apply to urban and nonproduction agricultural uses
 - Impact pest control businesses not residential users

- Future Schedule
 - May 2011 – Submit regulation package to Office of Administrative Law (OAL) for Notice for Public Comment

- Future Activities
 - 2011 – Produce draft regulation applying to production agriculture
 - 2011 – 2012 Meet with stakeholders
 - 2012 – Revise draft regulation
 - 2012 – Submit regulation package to OAL for Notice for Public Comment
