

# DRAFT AGENDA

## INTERAGENCY COORDINATING COMMITTEE JOINT MARINAS AND RECREATIONAL BOATING AND ANTIFOULING STRATEGY WORKGROUP

July 9, 2009 - From 10:00 to 12:00  
CAL/EPA BUILDING - ROOM 1510  
1001 "I" STREET, SACRAMENTO

**CALL-IN NUMBER: (916) 227-1132**

For those attending the meeting in person, please sign in on the first floor. Room 1510 is located on the 15th Floor. Please call 341-5455 or 341-5564 if you need assistance.

### **Goal Statement-Marina IACC**

- 1) Develop partnerships among entities (e.g., state, federal and local agencies) responsible for addressing NPS pollution related to boating and marinas;
- 2) Make efficient use of state, federal and local resources to address this pollution by sharing information, avoiding duplicative efforts and identifying technical and policy gaps; and
- 3) Promote improvements to marina water quality through implementation of management practices

### **Antifouling Strategy (AFS) Workgroup Purpose and Goals**

**Purpose:** To support the goals of the Nonpoint Source Interagency Coordinating Committee's Marina & Recreational Boating Workgroup in the specific subject area of boat antifouling strategies.

**Goals:** To provide a forum to 1) facilitate the dissemination of boat antifouling strategy (AFS) information, 2) encourage the discussion of AFS issues including (but not limited to) those relating to scientific research, socio-economic considerations, aquatic invasive species, environmental monitoring and impacts, mitigation of adverse effects, and regulations, and 3) promote the coordination of AFS-related projects and activities.

### **Marina IACC**

- |   |                |
|---|----------------|
| 1. Introductions, agenda review, announcements/updates  | 10:00 to 10:15 |
| 2. Update on Pollution Prevention Project, other marina-related activities (Daniel Garza, Department of Toxic Substances Control) | 10:15 to 10:30 |
| 3. Update on boating & marina-related activities in Tahoe Basin (Mary Wagner, Tahoe Regional Board)                               | 10:30 to 10:45 |
| 4. Other Marina IACC updates  | 10:45 to 11:00 |

### **Antifouling Strategy (AFS) Workgroup**

- |   |                |
|---|----------------|
| 5. Highlights of findings from the study "Evaluating costs of strategies to protect water quality while controlling native and invasive fouling species on California boat hulls" (Leigh Johnson, UC Sea Grant Extension Program) | 11:00 to 11:30 |
| 6. Agency updates on AFS-related projects and activities  | 11:30 to 11:50 |
| 7. Other items/next meeting/adjournment   | 11:50 to 12:00 |
