

SUPPLEMENT TO THE FINAL STATEMENT OF REASONS

NONSUBSTANTIVE, CLARIFYING REVISIONS

In section 6000, Food and Agricultural Code sections 13415 and 14001 have been added as a reference to the authority under which the regulation is adopted, as well as Food and Agricultural Code section 11401.2 added to the reference section.

Subsection (c) was added to section 6536[**] to clarify the emission rating prior to issuing the final annual emissions inventory report.

** typographical error - should be section 6452.4

WITHDRAWN

Section 6536(b)(4) has been withdrawn for further development after OAL indicated it would not approve it.

SUPPLEMENTAL AND CLARIFYING INFORMATION TO RESPONSE TO COMMENTS

Comment #2-57 (Attachment B): DPR should omit the Sacramento Metro and South Coast NAAs in their fumigant emissions strategy when there is no evidence to demonstrate that these 2 NAAs had violated or were not in compliance with the 1994 SIP.

Response: See response to #2-51.
