

The Department of Pesticide Regulation
presents a training workshop on:

“Continuing Education 101”
An introduction to DPR’s CE accreditation process

June 17, 2010
9:30 am -11:00 am

Location

Cal/EPA Headquarters Building
Klamath Training Room, 2nd Floor
1001 I Street
Sacramento, CA 95812

About the Workshop

This workshop is aimed to give attendees a better understanding of our continuing education program. It will provide the course sponsor with valuable information on how to submit a complete application package. The workshop will focus on criteria DPR uses to review and approve incoming CE applications to ensure they are consistent with DPR’s regulatory requirements.

Topics include:

- Overview of the CE Program
- How to submit a complete CE course application
- Common issues that delay approval and ways to avoid them
- Criteria used for review
- The role and responsibilities of the sponsor and DPR
- Questions

Who Should Attend

- Current or potential CE Course Sponsors
- All those who would like a greater understanding of DPR’s Continuing Education Program

Please RSVP via e-mail to adavidson@cdpr.ca.gov

This workshop is not eligible for CE hours.
