Examination Scheduling

1. You must submit your completed application with appropriate fees **POSTMARKED** by the **FINAL FILING DATE** for the examination(s) and date that you have requested. If the application is **POSTMARKED after the final filing date**, you will be contacted by mail to reschedule the examinations.
2. Please complete the section on the application asking for the **Location and Month** in which you have selected to take your examination(s). For example, to take an examination in Modesto on April 22 - 24, you would write "Modesto" for the Examination Site Location and "April" for the Examination Month.
3. Incomplete applications and fees will delay the processing of your application. It may result in you not being scheduled for the examination date and location that you requested.
4. **No examinations will be given in November and December due to the processing of license and certificate renewal applications.**
5. Examination seating is limited; scheduling is on a first-come, first-serve basis. Therefore, even if you meet the final filing date for the examination, you may not be scheduled. Please submit the application and fees as soon as possible.
