

LICENSE RENEWAL *Reminder*

SUBMIT APPLICATIONS BEFORE NOVEMBER 1

Mail your application before November so that your license or certificate can be issued before it expires. If you submit before October, you will be renewed by early December and can then register with your county before the New Year.

AVOID PROCESSING DELAYS

Submitting earlier allows DPR staff additional time to notify you of issues or problems that could delay processing your license.

M-Z LICENSEES

DPR will mail renewal packets in August to license and certificate holders with surnames and business names starting with letters M-Z

PEST CONTROL BUSINESSES

Renew your qualified applicator **FIRST**. For pest control businesses, the qualified applicator **MUST BE** renewed before the business license can be renewed.
