Preparing for the examination

To prepare for the examination, you should read the appropriate study materials listed on the Suggested Study Material Source List included in this packet. Many of the study materials have practice test questions at the end of each chapter that can help you evaluate whether you know the material well enough to pass the exam. For some categories, DPR has Knowledge Expectations available on our web site that outline the type of information you will be expected to know when you take the examination.

Application fee

The application fee is $40 for this certificate (3 CCR section 6502). This fee allows an applicant a 12 month period to become certified.

Examination fee

The examination fee is $50 (3 CCR section 6505) for each examination requested including:

- adding categories; and
- rescheduling due to failure to appear or to obtain a passing score.

Certificate duration

Refer to the table above for expiration date.

Continuing education

Once you pass the examination(s) and receive your certificate, you must accumulate a determined amount of approved continuing education (CE) hours. DPR will inform you of the number of approved CE hours you are required to complete. After your first renewal, you are required to accumulate at least 20 hours of approved continuing education (CE) every two years before certificate renewal. Four of the 20 hours must cover the topic of pesticide laws and regulations (3 CCR section 6511).

QAC holders who have Category M, N, P, or Q are required to complete eight hours of approved CE after their first renewal. QAC holders who have Category H only are required to complete four hours of approved CE after their first renewal. Two of the hours must cover pesticide laws and regulations (3 CCR section 6511). It is your responsibility to ensure that you complete the number of hours required for your category(ies) prior to renewal of your QAC.

For information on CE requirements and the list of DPR-approved CE courses visit our web site at:

- CE requirements: www.cdpr.ca.gov/docs/license/conted.htm
- DPR-approved CE courses: www.cdpr.ca.gov/docs/license/classes.htm

2Some new certificate holders may require fewer CE hours for their first renewal depending on when the certificate was issued. The number of required CE hours will be specified on your transmittal card when you receive your new certificate.
Renewal fee
The renewal fee is $60 for the 2-year cycle (3 CCR section 6502).

Late renewal fee
A late fee of 50 percent of the renewal fee will be charged for each license or certificate renewal postmarked after December 31 of your expiration year.

Common mistakes
The most common application errors are:
• incorrect fees submitted;
• final filing date was missed; and
• the preferred month, location and type of examination(s) was not specified.

You can avoid these errors by reading the application instructions carefully and by mailing your application before the final filing date.
