--	---

8. PRODUCT CHEMISTRY

Change in Source of Active Ingredient [Note: An Application for Registration of Pesticides form, or federal Confidential Statement of Formula form, must be attached if this box is checked.]

Note: Improper use of the notification process may lead to enforcement action. Use of the notification process is optional. Prior to filling out this form, please read CA Notice 96-4 for detailed instructions on the notification process. If you are unsure that your minor change qualifies to be submitted through notification, call the Department of Pesticide Regulation (DPR) Registration Specialist assigned to your company. Products distributed or sold with a changed label that does not meet California's notification criteria are misbranded and subject to enforcement action.

I CERTIFY UNDER PENALTY OF PERJURY TO THE ACCURACY AND COMPLETENESS OF ALL INFORMATION SUBMITTED ON THIS NOTIFICATION OF LABELING/CHEMISTRY CHANGE. ALL DOCUMENTS SUBMITTED TO THE U.S. ENVIRONMENTAL PROTECTION AGENCY IN SUPPORT OF THE FEDERAL NOTIFICATION PROCESS ARE ENCLOSED IN THIS SUBMISSION OR HAVE BEEN PREVIOUSLY SUBMITTED TO DPR AS REQUIRED BY CALIFORNIA CODE OF REGULATIONS, SECTION 6170.
