TO: COUNTY AGRICULTURAL COMMISSIONERS

SUBJECT: "THE CALIFORNIA FARM WORKER SERVICES DIRECTORY"

Governor Wilson's Farm Worker Services Coordinating Council has published the enclosed Farm Worker Services Directory. You are being forwarded a copy for your information.

The intent of this directory is to improve outreach efforts for the service providers of which the county agricultural commissioners have been identified. You are listed under each county as "*Health-Pesticide Safety*."

This directory should be useful to you in your effort to refer individuals to services within your county.

Sincerely,

John M. Donahue, Chief
