Things to Know about Joining Remotely:

- DPR will use the remote meeting service Zoom to host the interactive part of the meeting. With the remote participation option, you can either call in or use a computer or mobile device (e.g., mobile phone or tablet) to participate via audio or video conference.
- **Do not use the webcast if you are participating through the Zoom meeting.**
- You do not need to create a Zoom account to participate in a DPR meeting. The Meeting ID and password provided by DPR are all you will need to join the meeting. It is requested that those who wish to speak add a profile name that can be used to signal your turn in the speaker queue or to message you regarding speaking.
- You do not need to install software on your computer to participate. The Zoom service can run within an existing web browser.
- Downloading the Zoom software may, however, provide a superior meeting experience for you. You can download the Zoom client in advance at: https://zoom.us/download
- Familiarize yourself with the Zoom features here: https://support.zoom.us/hc/en-us/categories/200101697
