Director

Purpose

Paul Gosselin  
Chief Deputy Director

Background on MeBr Subchronic Toxicity

Lori Lim, Ph.D., DABT  
Staff Toxicologist

Comments and Recommendations

Audience

Participants will have an opportunity to comment on the following question:

*What should be the subchronic regulatory goal for methyl bromide, and why?*

Next Steps

Paul Gosselin

**Persons wishing to comment or make recommendations are requested to fill out cards available at the back table. They will be called on first. Time allowing, comments will then be accepted from others in the audience.**

**We request that all comments from the audience be limited to five minutes. If you wish to submit additional written material, you may do so either at this meeting or via email to [mmartinez@cdpr.ca.gov](mailto:mmartinez@cdpr.ca.gov) no later than March 11, 2003.**

***FLEX YOUR POWER!** For simple ways to reduce energy demand and costs, see <[www.cdpr.ca.gov](http://www.cdpr.ca.gov)>.*
