Amend section 6860 to read:

6860. Toxic Air Contaminants List.
   The Director designates the following pesticides to be toxic air contaminants:
   (a) The following pesticides are designated toxic air contaminants pursuant to Food and Agricultural Code §14023:
      Ethyl parathion
      Methyl isothiocyanate (MITC) and other pesticides that generate MITC
      Methyl parathion
      S,S,S-tributyl phosphorotrithioate (DEF, tribufos)
      Sulfuryl Fluoride
   (b) The following pesticides are designated toxic air contaminants to implement Food and Agricultural Code §14021:
      Acrolein
      Arsenic acid
      ...

NOTE: Authority cited: Sections 11456 and 14023, Food and Agricultural Code.
      Reference: Sections 14021 and 14023, Food and Agricultural Code.
