PEST CONTROL DEALER DESIGNATED AGENT LICENSING REQUIREMENTS

Do you need this license? You must possess a Pest Control Dealer Designated Agent (DA) license if you are responsible for supervising all operations of a licensed pest control dealer at a principle and at each branch location.

Basic licensing requirements You can obtain a DA license by submitting the application, appropriate fees, and passing the required examination.

Examination You must pass the Laws and Regulations for Designated Agents examination with a score of 70 percent or higher (Title 3 of California Code of Regulations [3 CCR], section 6504). This examination demonstrates the applicant's knowledge of the laws and regulations governing the use and sale of pesticides, and the responsibilities of a Pest Control Dealer Business.

Examination exemption Individuals that hold one of the following DPR licenses or Certificate may qualify to be a DA without taking the Designated Agents examination:

- Agricultural Pest Control Adviser License
- Qualified Applicator License
- Journeyman Pest Control Aircraft Pilot Certificate

Note that, Qualified Applicator Certificate holders, structural pest control operators, and out-of-state licensees do not qualify.

Exam schedules/processing time The DPR Exam Schedule is posted on the web site at www.cdpr.ca.gov/docs/license/liccert.htm. Your application must be postmarked by the final filing date listed in the examination schedule in order for your requested month, location, and type of examination(s) to be processed.

Preparing for examination To prepare for the examination, you should read the appropriate study materials listed on the Suggested Study Material Source List included in this packet. Many of the study materials have practice test questions at the end of each chapter that can help you evaluate whether you know the material well enough to pass the exam. For some categories, DPR has Knowledge Expectations on our web site that outline the type of information you will be expected to know when you take the examination.

Application fee The application fee is \$25 for this license (3 CCR section 6502). This fee allows an applicant a 12 month period to become licensed.

Examination fees The examination fee is \$50 (3 CCR section 6505) for each examination requested including:
