M-Z Licensing Renewal Information

**For those with last names or business names starting with
letters M-Z**

It's time to renew!

A solid green horizontal bar at the bottom of the slide.

Dates For Department of Pesticide Regulation Licensing Renewals

Why Is It Important to Renew Early?

- Submitting by **October 1st** provides time to address potential issues, such as lacking continuing education (CE) hours or postal service delays and ensures that you still have time to take additional CE hours (if needed) before your license expires.
- Submitting your renewal before October will ensure you have your license by early December and allows you to register with the County prior to the New Year.
- Avoid late fees.

Address or Name Changes

Always notify DPR **immediately** of any address or name changes.

(We encourage you to include your email address!)

Email: LicenseMail@cdpr.ca.gov

Name/address change must be done in writing by email,
or by mailing in [form PR-PML-002](#).

Notify DPR by June 14 of any changes
to ensure you get your personalized renewal packet.

Fee for a replacement card is \$20.00.

Continuing Education

- Regulations require that license and certificate holders keep CE records for **three years**.

No grace period to obtain needed CE hours after December 31.
