

# You're Invited to a SprayDays Launch Event!

Join us to celebrate the statewide launch of SprayDays California, the Department of Pesticide Regulation's pesticide application notification system!

**Launching March 24**, SprayDays provides information before specific pesticides are used on farms across California. Enjoy a sweet treat, get resources, and sign-up for notifications.

## **WHEN**

Monday, March 24, 5-7 p.m.

## **WHERE**

Shafter Veterans Hall,  
309 California Avenue, Shafter, CA

For more information email
