Agricultural Pest Control Adviser Licensing Requirements

Do You Need This License?

An Agricultural Pest Control Adviser (PCA) is any person who offers a recommendation on any agricultural use, holds himself/herself as an authority on any agricultural use, or solicits services or sales for any agricultural use (Food and Agricultural Code [FAC] sections 11410, 11411).

Licensing Exemption

You are exempt from this licensing requirement if you make any recommendation of a specific application on a specific parcel in writing (FAC section 12001) **and** are a(n):

- Official of a federal, state, or county Department of Agriculture
- University of California personnel engaged in official duties relating to agricultural use
- “Operator of the property” (i.e. growers, farms, or corporations) and their employees when making decisions in regards to pesticides used for agricultural use on property under their control. (Title 3 of California Code of Regulations [3 CCR], section 6622)

Minimum Qualifications

You must meet the minimum educational requirement to take the Agricultural Pest Control Adviser examinations. See the Minimum Education Qualifications for Agricultural Pest Control Advisers (rev. 01/17) in this packet to determine minimum qualifications for this license.

A [sample of college courses that meet the core requirements](#) are listed on our website.

Basic Licensing Requirements

Basic requirements for this license include:

- Submitting the application and appropriate fees
- Submitting official transcripts
- Submitting Agricultural Pest Control Adviser Core Course and/or Work Experience Requirements for New License Applicants worksheet (DPR-PML-085)
- Passing the required examinations

Examinations

You must pass the Laws, Regulations, and Basic Principles examination (including Integrated Pest Management) and at least one pest control category examination with a score of 70 percent or higher (3 CCR section 6504). The pest control categories for this license are as follows (FAC section 12022):

- | | |
|--|----------------------------|
| A. Insects, Mites, and Other Invertebrates | D. Vertebrate Pests |
| B. Plant Pathogens | E. Weed Control |
| C. Nematodes | F. Defoliation |
| | G. Plant Growth Regulators |

Exam Schedule

DPR's Licensing and Certification Program is now offering computer-based exams at testing centers state-wide for all individual licenses and certificates. Applications for all exams must be mailed to DPR's Licensing and Certification Program. You can find more [exam information](#) on our website.

Preparing for Examinations

To prepare for the examination, you should read the appropriate study materials listed on the Suggested Study Material Source List included in this packet. Many of the study materials have practice test questions at the end of each chapter that can help you evaluate whether you know the material well enough to pass the exam. DPR has Knowledge Expectations on our web site that outline the type of information you will be expected to know when you take the exam.

Application Fee

The application fee for the PCA is \$180 (FAC section 12021). This fee allows an applicant a 12-month period to become licensed.

Examination Fees

The examination fee is \$115 (3 CCR section 6505) for each examination requested, including rescheduling due to failure to appear or obtain a passing score.

License Duration and Second-Year Fee Notice

If you pass the required examinations you may receive a Second-year Fee Notice. If you receive this notice, it means that in order to issue your 2-year license an additional \$160 is required. The 2- year cycles are illustrated in the table below.

If your last name begins with...	Your certificate expires on...
A through L	December 31 of even-numbered years (e.g. 2026, 2028, 2030, etc.)
M through Z	December 31 of odd-numbered years (e.g. 2025, 2027, 2029, etc.)

Valid Licenses

[List of valid licenses and certificates](#) may be viewed online.

General Requirements

Once you obtain your license, you must do all of the following:

- Register with the County Agricultural Commissioner in the county listed on your Adviser license and register in each county where you make recommendations (FAC section 12031)
- Retain one copy of each recommendation for one year (FAC section 12004)
- Provide the operator of the property with a copy of the written recommendation prior to the application (FAC section 12003)
- Provide the pesticide dealer and the applicator with a copy of the written recommendation (FAC section 12003)

Continuing Education

Once you pass the examinations and receive your license, you must accumulate a determined amount of approved continuing education (CE) hours. DPR will inform you of the number of approved CE hours you are required to complete.¹ After your first renewal, you are required to accumulate at least 40 hours of approved CE every two years before license renewal. Four of the 40 hours must cover the topic of pesticide laws and regulations (3 CCR section 6511).

For more information on [CE requirements](#) and the [list of DPR-approved CE courses](#) visit our website.

Renewal Fee

The renewal fee is \$320 for the 2-year cycle (3 CCR section 6502).

Late Renewal Fee

A late fee of 50 percent of the total renewal fee will be charged for each license or certificate postmarked after December 31 of your expiration year.

¹ Some new license holders may require fewer CE hours for their first renewal depending on when the license was issued. The number of required CE hours will be specified on your transmittal card when you receive your new license.

Miscellaneous Fees

The following chart lists possible miscellaneous fees.

Type	Amount	Details
Name change	\$20	- You must immediately notify the Licensing and Certification Program in writing (3 CCR section 6508) - You must submit legal documents certifying the name change - A new certificate will be automatically issued - The Address Change/Name Change/Replacement Card Form is available on our website
Address change	\$20	- You must immediately notify the Licensing and Certification Program in writing (3 CCR section 6508) - This fee is only required if you request a new certificate - The Address Change/Name Change/Replacement Card Form is available on our website
Duplicate	\$20	- This fee applies to requests for a duplicate or replacement certificate - The Address Change/Name Change/Replacement Card Form is available on our website

Name and/or address change fees are waived when adding a pest control category or at renewal.

Common Mistakes

The most common application errors are:

- Submitting incorrect fees
- Application not signed
- Failure to submit a copy of valid government-issued documentation to verify minimum age requirement
- Failure to submit official transcripts
- Missing or incomplete core course worksheet

You can avoid these errors by reading the application instructions carefully.

Agricultural Pest Control Adviser License Application Instructions

LIC-084 (Rev. 07/24) Page 2 of 2

Failure to complete or provide the requested information may delay the processing of your application.

DPR will only disclose personally identifiable information, such as home phone number and personal email address, to third parties as required by state or federal law or regulation and consistent with the Information Practices Act (Civ. Code, sections 1798-1798.78).

A. Application Type:

New Application: If you:

- *Are applying for an Agricultural Pest Control Adviser (PCA) license for the first time.
- Failed to obtain your license within 12 months from the first date you scheduled your examination.
- Failed to meet the renewal requirements.

*Applications for a new license shall include an attached copy of valid government-issued documentation verifying that the applicant will meet the required minimum age of 18 years old prior to admission to the examination. The applicant's name included on the submitted application shall match the name stated on the valid government-issued documentation submitted.

Minimum education requirements must be met. Submit your official college/university transcripts, along with the completed Core Course Requirements form.

Reexamination: Scheduling an examination on which you failed to obtain a passing score or failed to appear for a previously scheduled examination.

Add Pest Control Category(ies): Requesting to take pest control category examinations not yet taken. If passed, the category(ies) will be added to your existing license.

B. Applicant Information: Enter your name (name shall match the submitted valid government-issued documentation); Adviser License or Application Number (if applicable); date of birth; mailing address; E-Mail address; work and cell or home phone numbers; and current employer (if applicable).

C. Examination - Laws, Regulations, and Basic Principles (includes Integrated Pest Management Principles): This examination is required of all new PCA applicants. The Laws, Regulations, and Basic Principles examination for any other DPR license or certificate does not exempt you from this exam. Exemption: If you have passed this exam within the past 12 months.

D. Examination – Categories: Indicate the category(ies) you want to take by checking the appropriate box(es). In addition to the Laws, Regulations, and Basic Principles examination, each new applicant must successfully pass at least one of the pest control categories (A-G) before an Agricultural Pest Control Adviser License is issued. A maximum of four examinations may be scheduled per application. If you are requesting the Laws, Regulations, and Basic Principles examination, a maximum of three total examinations (including the Laws, Regulations, and Basic Principles examination) may be scheduled per application. You may only apply once per month; exceptions to this are evaluated on a case by case basis.

E. Examination Schedule: Provide your first and second choice for taking your exam(s). Indicate the exam month and location for each choice in the appropriate boxes. Your exam date and location choices are not guaranteed. Go to DPR's Web site to find [current exam information](#). If you selected an exam date, your application must be postmarked by the final filing date for the earliest choice you provided. DPR will assign your exam date.

F. Reasonable Accommodation: Reasonable accommodation will be provided to applicants who need assistance to take an exam. If you check "Yes", you will be contacted.

G. Fees: All fees are non-transferable and non-refundable.

New Application Fee: \$180..... (See Section A)

Laws, Regulations, and Basic Principles Examination Fee: \$115..... (See Section C)

Category Examination Fee(s): \$115 per exam..... (See Section D)

H. Read Before Signing: Check appropriate box and provide explanation on separate page, if necessary.

I. Declaration/Signature Block: Sign here to indicate that the information submitted is true and correct.

Mailing Instructions: Enclose a check, money order, or credit card information payable to "Cashier, DPR" with your application and mail to:

CORE COURSE AND/OR WORK EXPERIENCE REQUIREMENTS
FOR NEW LICENSE APPLICANTS**

PR-PML-085 (REV. 11/07)

This form must be completed and submitted with your application and official transcripts. To assist in determining which courses fit in the proper core areas, refer to DPR's web site at <http://www.cdpr.ca.gov/docs/license/pcacoursreq.htm>. For any course that does not clearly fit in a core area designated below, please submit an official college/university catalog class description, a signed official document from the college/university explaining what you accomplished in the class, or a copy of the paper that was submitted. Nontraditional course titles (e.g., Senior Project, Internship, Cooperative Work Experience, Independent Study, Dissertation, Thesis, Enterprise Project) and work experience require documentation (see Title 3 of the California Code of Regulations, Code section 6550). Without these official documents, DPR cannot evaluate whether you meet the core course and/or work experience requirements.

PHYSICAL AND BIOLOGICAL SCIENCES (minimum of 12 semester or 18 quarter units) includes courses such as introduction to inorganic chemistry, organic chemistry, biochemistry, plant biology or botany, general ecology, biology, genetics, plant physiology, and zoology.
