INSTRUCTIONS:

1. Each line is an individual pesticide application. Report only one schoolsite, date/time, and pesticide per line. Multiple pages will be needed if you need to report more than 5 pesticide applications.
2. A name and address or a CDE/DSS code is required for each schoolsite. A cover sheet with all schoolsite names/addresses or CDE/DSS codes can be included with your report to prevent repetitive writing/typing.
3. Applicators: If you are mixing a concentrate with a liquid, report the amount of concentrate used. For products that don't require dilution, report the amount of finished product used.
