California Notice 2021-12

NOTICE OF AVAILABILITY OF RISK MANAGEMENT DIRECTIVE FOR THE ACTIVE INGREDIENT **1,3-DICHLOROPROPENE**

The Department of Pesticide Regulation (DPR) has issued a risk management directive (RMD) to guide the development and adoption of mitigation measures to address acute, non-occupational exposures to bystanders from the active ingredient 1,3-dichloropropene (1,3-D). The October 2021 RMD is available at https://www.cdpr.ca.gov/docs/whs/active_ingredient/1_3-d.htm under the “Risk Management Directives” tab.

Additional information regarding 1,3-D can be found on DPR’s Web site at https://www.cdpr.ca.gov/docs/whs/active_ingredient/1_3-d.htm.

Please address all questions pertaining to this notice by e-mail to 13D@cdpr.ca.gov.
